Cardio

Strength

Flexibility

AQUAFIT

A low-impact, power-packed class in the indoor pool that combines cardio and toning exercises using water as your resistance.

AQUA ZUMBA

Aqua Zumba is a latin-inspired, easy-to-follow dance class performed to music in the shallow 20m pool.

BODYPUMP

A non-impact workout using an adjustable barbell that challenges every major muscle in your body. Guaranteed to tone and shape.

BODYFIT

A fun, exercise to music workout that combines cardio fitness, core stability, balance, functional strength and flexibility.

BODY CONDITIONING

Tone and shape every inch of your body using weights, barbells and lower body resistance techniques.

DEEP WATER EXERCISE

Water-resistance running and conditioning class in our outdoor heated pool using buoyancy belts and water noodles.

FREESTYLE SPIN

Break free from the usual pre-choreographed workout and enjoy an instructor-led, fun but challenging cycle workout. Suitable for all fitness levels.

HIGH INTENSITY INTERVAL TRAINING (HIIT)

A fantastic all-in-one workout including cardio, weights, plyometrics, body weight exercise and cycle training. Classes are 45mins or 1 hour, so remember to check your timetable!

LOW-IMPACT EXERCISE

Circuit session by allied health professionals with rehab knowledge & expertise, educating & optimising body movement.

METAFIT

30 minute pre-choreographed interval style class. Body weighted timed interval workouts aimed at increasing your metabolic rate.

PILATES

Increase core strength, flexibility and become more body aware. Mat Pilates teaches the basics, while Reformer Pilates (\$8 pp) uses specialised equipment.

RPM

A high-energy indoor cycling class that's a great cardio workout. Match terrain with tempo, experience rolling hills, winding roads, sprints and intervals. Spaces are limited. Grab a ticket from reception to secure your spot.

RUN CLUB

Interval based running session on the IAAF Athletics Track. Suitable for all abilities to improve running/cardio fitness and technique.

SPRINT

If you want to get fitter, faster, stronger with minimal impact to your joints then this is the workout for you! LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. Spaces are limited. Grab a ticket from reception to secure your spot.

STRENGTH & MOBILITY

Activate major muscle groups and increase your range of motion with this strength building class targeted at improving functional movement. Suitable for all ages and abilities.

YOGA

Relieve stress and improve flexibility, strength, balance, posture and circulation. Learn to connect the body and mind through breathing.

ZUMBA

High and low intensity moves for an interval style, calorie burning dance fitness party. Exercise in disguise!!

***Reminder to bring your own aqua belt and mat.
