PROGRAM GUIDE

Programs for athletes, students and groups.

GOLDCOASTPERFORMANCECENTRE.COM.AU

OUR PROGRAMS

The Programs Guide introduces you to the activities available to our guests; which have the power to convert your group's visit into a transformational experience that will be remembered long after the event has concluded.

Our programs are conducted by experienced and engaging facilitators, including Sport Medicine Professionals, Teachers, Personal Trainers, Elite Athletes and Coaches. These facilitators will guide your group to achieve their own personal best, be that sporting success, character development, leadership aspirations or simply to live a happy, healthy well-rounded life. All programs are subject to availability.

These experiences have been carefully selected and contribute to at least one of our 6 core concepts:

Mental Health

The mental toughness and winning mind-set required to excel in sport and life. Athletes learn goal setting, motivation, mindset, visualisation and focus strategies to overcome the highs and lows of life as an elite athlete.

Physical Fitness

The physical needs required for sport and a healthy life. Training could include speed, endurance, flexibility, strength & conditioning, nutrition and injury prevention.

Emotional Wellbeing

Athletes can learn to embrace and channel strong emotions, to control performance anxiety and how to take care of their emotional health to keep them engaged and passionate about their sporting journey.

Character Development

Learning how to lead self, to lead others, to influence others becoming a leader of change. Learn to manage the challenges of life and sport.

Resources & Support

Develop skills to successfully manage both sport & academic / employment responsibilities. Participants can learn what resources are available to them and what is required to succeed in sport.

Technical & Tactical

Learning the sport specific skills required for the sport, role or position. Understanding the strategy and decision making for your role, event or sport.

CHARACTER BUILDERS

→ Leadership

Students and staff can expect to engage in plenty of practical and hands-on leadership experiences as they practice stepping up at times, stepping back at times and encouraging others. The team will challenge the group through a number of intentional leadership experiences. By the end of the program students will have developed a strong sense of self-worth, capability, resilience and readiness to step up to new challenges as they move forward in their education and lives.

Character based outcomes include:

- Investing in self-awareness and awareness of others.
- Leadership skills and capacity to serve others (Servant Leadership).
- Developing quality and depth of character through practical leadership experiences.
- Empowering leaders to discover their personal value set and leading from below.

→ Team Building

Fun-filled, team focused experiences. Character Builders are experts in setting the right tone for the day and empowering each student and staff to get involved. Students will love practising deliberate, core teamwork skills. In this program, winning isn't everything! Teams will see that the real win is behind the culture and how the game is played.

Character based outcomes include:

- The importance of building resilience working with others outside their comfort zones.
- Investing in strategies on how to build positive peer culture and connection.
- Creating authentic experiences which promote social skills of life-long learning.
- Empowering students with skills and strategies to work effectively in teams.

→ Culture & Communication

Learn the importance of respectful communication and identifying strengths in others as well as yourself. The Character Builders Communication program complements existing pastoral care programs to assist in personal development and resilience. Working closely with their peers, students will be encouraged out of their comfort zones to connect, collaborate and communicate openly through a series of whole-group and team-based activities.

Character based outcomes include:

- Delivering tangible takeaways to help students engage in their social surroundings.
- Encouraging students to take ownership of their role in the social group or team dynamic; removing judgment and engaging curiosity in communication and collaboration instead of fear.
- Introducing positive strategies for self-awareness and identity, building relationships and interpersonal skills
- Empowering students to recognise the capacity in their character growth.

TESTIMONIALS

“Character Builders has an excellent hands-on approach. The day was highly interactive, students were challenged to take risks and problem solve in team situations. The students were a buzz with excitement and totally engaged throughout the whole day. A highly valuable program to unpack the importance of teamwork and communication in everyday situations.”

Ambarvale High School, Campbelltown, NSW

“Character Builders provided our Year 6 students with an excellent opportunity to get to know each other at the start of a new school year and to develop teamwork, resilience and leadership qualities. The activities were engaging, and students thoroughly enjoyed the challenges. They learnt how to communicate positively and effectively with one another and worked together to complete all tasks successfully.”

St Vincent’s Primary, Gold Coast, QLD

“Character Builders once again were a fantastic asset for our camp. The team helped our cohort self-identify areas where they would love to see growth, and inspired and equipped them with the skills to work towards that growth. The session was a great balance of deep, insightfully led discussion and practical, fun activities.”

Redlands College, Redlands, QLD

FITNESS TESTING

Fitness testing sessions are designed to give athletes, coaches and support staff a fundamental understanding or baseline of overall fitness per athlete. The core values of the Gold Coast Performance Centre ensures an holistic approach to Long Term Athlete development and focuses on 5 key areas of fitness:

- Speed
- Strength
- Coordination
- Flexibility
- Endurance

TAKE YOUR ATHLETES TO THE NEXT LEVEL

VALD Testing

This testing protocol provides coaches, athletes, and health professionals with objective data on an athlete's physical performance.

- ✔ Lower body power: Countermovement Jump
- ✔ Lower body strength: Isometric squat hold
- ✔ Upper body strength: Maximum push-ups
- ✔ Core strength: Plank
- ✔ Speed and Acceleration: 0-40m sprint time
- ✔ Endurance: Yo-Yo test
- ✔ Agility: Illinois Agility Test
- ✔ Wing Span

Up to \$45pp - POA
2 hours
Minimum 20 Pax

Testing sessions are designed to take a large group of athletes efficiently and effectively through each test in approximately 2 hours. Athletes will keep their results from each test, coaches can collate this data to ensure programs work to the strengths and weaknesses of each athlete.

A sporting team will be able to find the strengths and weaknesses of each athlete, as well as provide baseline measures for testing. The testing is ideal to do prior to completing a training block (i.e. off-season) and also serve as a measure for rehabilitation goals for injured athletes.
